

A black and white graphic for a 'Spring Sale'. It features a large, thick black circle. Inside the circle, the words 'SPRING' and 'SALE' are written in a bold, serif font, stacked vertically. The circle is decorated with stylized floral elements. On the left side, there are three large, multi-petaled flowers with dark outlines and white centers, interspersed with smaller leaves and clusters of dots. On the right side, there is one large flower similar to the ones on the left, also accompanied by leaves and dots. The overall design is clean and modern.
